Golden Glow

I often wonder...

why it feels so hard to make friends as an adult.

I'm an introvert by nature and sometimes find it overwhelming to make new friends. In fact, most of my closest friendships are with people who reached out to me first. It's not that I don't want to make friends, I just tend to overthink it. Can you relate?

The truth is many of us are looking for connection and friendship. In fact, recent studies have found that one in two people report feeling lonely. That's a huge reminder that we're not the only ones longing for community.

As crafters, we have the power to change this! Every time we sit down to make something, we have the opportunity to open our circle and welcome someone in. Crafting together takes the pressure off—it gives us something to make with our hands, and plenty to laugh about along the way.

As you look through these pages, I hope you look for ways to create, share, and connect. Try something new . . . and invite someone along. Because when we create together, we're part of something bigger, and including others can make all the difference.

Shelli's faves

Some collections just make you smile, and the Beautiful Ordinary Life Suite Collection and coordinating scrapbooking products (p. 28–31) did the moment I saw it. It's an all-in-one collection for cards, packaging, and scrapbooking, and it instantly made my must-have list!

I usually craft with layers and details, but I'm loving how satisfying simple projects can be. The Banner Sayings Bundle (p. 41) makes it easy to add quick banners and just-right sentiments in seconds.

I can't wait to see what others create—I know I'll be inspired all over again!

What Can Your Demonstrator Do for You?

What exactly does a demonstrator do?

I share fun ways to craft, help you pick the right supplies, and we make things together. No pressure—just creativity.

So, what makes shopping with you different?

I get to know your style, share ideas, answer questions, and make sure the experience is creative and fun.

What's the best thing about being a demonstrator?

I love to craft on my own time, connect with friends, and get the opportunity to earn a modest supplemental income.

Do you need experience to start?

This makes crafting so much more personal.

It really does—community, creativity, and perks.

Not at all! If you enjoy creating, you already have what it takes.

Want to share your creativity and earn along the way? Ask your demonstrator or go online to join as a demonstrator.
